

TEACHING POSITION AVAILABLE – 20/21
Preparatory Math and Computing for Incoming MA Students
Department of Economics
Queen's University, Kingston, ON CAN K7L 3N6

(Posted June 16, 2020)

The Department of Economics invites applications from suitably qualified candidates interested in teaching positions in the Fall term of 2020 and the Winter term of 2021. Precisely which areas will depend on availability of full-time faculty members, availability of qualified candidates, and budgetary constraints.

Fall term appointments will be for the period September 1, 2020 to December 31, 2020, with classes in session from September 8, 2020 to December 4, 2020, followed by an examination period.

Winter term appointments will be for the period January 1, 2021 to April 30, 2021, with classes in session from January 4, 2020 to April 1, 2021, followed by an examination period. Available courses may include: **Preparatory Math and Computing for Incoming MA Students (MA Math Prep)**.

MA Math Prep is a non-credit course and is expected to have approximately 30 students.

The University invites applications from all qualified individuals. Queen's University is committed to employment equity and diversity in the workplace and welcomes applications from women, visible minorities, aboriginal people, persons with disabilities, and persons of any sexual orientation or gender identity. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.

The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs. If you require accommodation during the interview process, please contact: Sharon Sullivan, sullivas@econ.queensu.ca, 613-533-2252.

Candidates should be enrolled as Ph.D. students and have completed their comprehensive examinations.

Graduate Teaching Assistants and Teaching Fellows at Queen's University are governed by the *Collective Agreement between the Public Service Alliance of Canada (PSAC) and the University*. Remuneration will be in accordance with the *Collective Agreement*, and appointments are subject to funding or enrollment criteria.

Applications should include a complete and current curriculum vitae, an unofficial copy of your transcript, a letter of reference from one (1) referee, and any other relevant materials the candidate wishes to submit for consideration (e.g. letter of intent, teaching dossier, etc.). **Please arrange to have applications and supporting letters sent directly to:**

Sharon Sullivan
Head's Administrative Assistant
Department of Economics
Queen's University
Kingston, Ontario, Canada K7L 3N6
sullivas@econ.queensu.ca

Note: The letter of reference should be sent separately by a qualified referee who is familiar with the applicant's teaching experience. Review of applications will begin on July 2, 2020 and continue until the position is filled.

Course Description:

This is a non-credit course.

Preparatory Math and Computing for Incoming M.A. students

Basic mathematical tools which are expected to be of use in Queen's MA program in economics are reviewed and in some cases introduced. An introduction to computing in the Queen's Economics Department is also given.
