

TEACHING POSITION AVAILABLE – 24/25
Preparatory Math and Computing for Incoming MA Students
Department of Economics
Queen's University, Kingston, ON CAN K7L 3N6

(Posted April 5, 2024)

The Department of Economics invites applications from suitably qualified candidates interested in a teaching position in the Fall term of 2024. Candidates should be enrolled as Ph.D. students and have completed their comprehensive examinations.

Fall term appointments will be for the period September 1, 2024 to December 31, 2024, with classes in session from September 3, 2024 to December 3, 2024, followed by an examination period.

The available course is:

Preparatory Math and Computing for Incoming MA Students (MA Math Prep).

MA Math Prep is a non-credit course and is expected to have approximately 30 students.

The University invites applications from all qualified individuals. Queen's University is strongly committed to employment equity, diversity and inclusion in the workplace and encourages applications from Black, racialized/visible minority and Indigenous/Aboriginal people, women, persons with disabilities, and 2SLGBTQ+ persons. All qualified candidates are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadian citizens and permanent residents of Canada will be given priority.

The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs. If you require accommodation during the interview process, please contact: Sharon Sullivan, sullivas@queensu.ca, 613-533-2252.

Graduate Teaching Assistants and Teaching Fellows at Queen's University are governed by the *Collective Agreement* between the Public Service Alliance of Canada (PSAC) and the University. Remuneration will be in accordance with the *Collective Agreement*, and appointments are subject to funding or enrollment criteria.

Applications should include a complete and current curriculum vitae, an unofficial copy of your transcript, a letter of reference from one (1) referee, and any other relevant materials the candidate wishes to submit for consideration (e.g. letter of intent, teaching dossier, etc.). **Please arrange to have applications and supporting letters sent directly (preferably by email) to:**

Sharon Sullivan
Head's Administrative Assistant
Department of Economics
Queen's University
Kingston, Ontario, Canada K7L 3N6
sullivas@queensu.ca

Note: The letter of reference should be sent separately by a qualified referee who is familiar with the applicant's teaching experience. Applications will be received until April 22, 2024.

Course Description:

This is a non-credit course.

Preparatory Math and Computing for Incoming M.A. students

Basic mathematical tools which are expected to be of use in Queen's MA program in economics are reviewed and in some cases introduced. An introduction to computing in the Queen's Economics Department is also given.
