UPCOMING
EVENTS

Upcoming Events

QUIP Information Sessions

Geared specifically for Arts and Science students, sessions will be held from 6:00-7:00 pm:

Thursday, **January 12** via Zoom and

Tuesday, **January 24** in Ellis Auditorium.

This is an opportunity for you to learn more about the Queen's Undergraduate Internship Program (QUIP) and what the experience could bring to your degree. You will also hear from interns on their experience and have your questions answered! Register for an information session through the Events Calendar of [MyCareer](#).

Gov't of Canada Boot Camp

Career Boot Camp 2023 is open to all current public servants, students, as well as those aspiring to join the GoC as students and employees.

The landscape of GoC hiring is evolving in ways that none of us anticipated and Federal Youth Network (FYN) is excited to learn and share with you the best tips and tricks for advancing your career in the new hybrid world. To reach this goal, we have committed to a full roster of never-before-seen speakers from across the GC. These new speakers will share their diverse perspectives, unique experiences, and individual journeys in hopes of inspiring the next generation of public service leaders: YOU.

Join us January 17, 19, 24, & 26, 2023 for Career Boot Camp 2023!
Register early [here](#) so you don't miss out.

Virtual Session with Deloitte

[Register](#) to attend a virtual session on January 11/12th
Join Deloitte Canada on January 11 (English) and 12 (French), 2023 for their National Virtual Info and Networking sessions.

The Deloitte logo, consisting of the word "Deloitte" in a bold, blue, sans-serif font with a small green dot at the end of the "e".

At these sessions, you will have the opportunity to:

- Learn about Deloitte Canada's business and impact across the regions
- Meet and network with Deloitte professionals across all regions

Explore your potential with Deloitte and learn about the endless opportunities for learning, growth and development. Postings for internship, co-op, and new grad roles available. Apply at: careers.deloitte.ca

Stats Canada Info Sessions

Information sessions will be held virtually in January.
For the schedule, please visit the Stats Canada website.
<https://www.statcan.gc.ca/eng/employment/recruit/ma/sessions>
A pre-registration system will be available on this site to sign up for the virtual information session you're interested in.

To find out more...

For additional information on opportunities for employment as a mathematical statistician with Statistics Canada, you can consult our recruitment web site at www.statcan.gc.ca/MArecruitment or contact us by e-mail at statcan.marecruitment-marecrutement.statcan@statcan.gc.ca.

Graduate Programs

MA in Globalization

M.A. in Globalization is an interdisciplinary program that examines the complex political, social, economic, cultural, discursive and theoretical developments related to processes of globalization and how these come to bear upon our lives, our communities, and the environment in which we live. Research areas include: contemporary culture; diasporic, transnational and multicultural communities; global governance; international trade and finance; and social, environmental and labour issues.

Guanghua School of Management

Applications for PKU Guanghua's English-taught Ph.D. Program 2023 intake is open.

If you are considering a Ph.D. or are interested in China/the Asia region this opportunity is for you.

PKU Guanghua's Ph.D. program is fully-funded and can be completed entirely in English, including all Ph.D. coursework, students' graduation dissertations, and all other academic instruction and requirements. Individuals who possess a Bachelor's degree but do not possess a Master's degree may seek admission to one of Guanghua's Ph.D. programs by applying to the Research Master ([Pre-doctoral Program](#)).

For more information, view the [flyer](#) or visit the [website](#).
