HOURS: Monday to Friday, 10 AM - 4 PM

BACK BY POPULAR DEMAND! Presented by The Isabel.

This is Evidence, a powerful multi-media Photovoice exhibit focuses on undocumented South Asian male migrants from Bangladesh, Pakistan, and India living in Greece. “This will let the people learn how we live our lives here,” —these words from an undocumented Bangladeshi migrant worker sums the impetus behind this exhibit. Themes include xenophobia, Islamophobia, temporary labour migration, securitization of borders, as well as enactments of masculinity and encounters between migrant men and the Greek population. The exhibit includes photographic stills and videos taken by the migrant men to show their lives as undocumented workers, drone films, interactive touchscreens, maps showing migrant trajectories, life-histories, songs sung and games played for leisure, and reconstructed migrant housing.

Join us in a conversation about the incomplete and urgent worlds initiated during what Sylvia Wynter calls “The Sixties”; to discuss literary production and design during The Sixties; to work out how bibliographies are made, book designs are effaced, and ideas are reimagined and reissued; to think about the connections between unspeakable beauty and freedom-making.

Refreshments & food provided.

## Mayor's Innovation Challenge

The Mayor's Innovation Challenge is calling on students to come up with a creative idea that contributes to making Kingston a better place to live, work or play. This is a great learning opportunity for those looking to gain valuable career experience through paid internships or for those looking to grow an idea into a business venture. Participation is simple: we're asking individuals or teams of up to three to submit a 2-3 minute video outlining an idea that could be implemented in the city and contributes to the quality of life of residents, or a proposal that leverages emerging technologies or develops new innovations to enhance the delivery of municipal services. The individuals or teams of submissions that are shortlisted will be invited to a pitch competition on **Friday March 10th** where panelists can ask more questions about the idea. Post-secondary students can win paid internships with the City of Kingston or win seed funding through the Dunin-Deshpande Queen's Innovation Centre (<https://www.queensu.ca/innovationcentre/launch/qyourventure>).

Any questions, email: [mic@cityofkingston.ca](mailto:mic@cityofkingston.ca).
