## SKILLS

---

Python | Excel | Stata | SQL | PySpark | Data Processing | Communication | Leadership

## EXPERIENCE

---

### Research Assistant

January 2022 – June 2024

Bank of Canada, Financial Markets Department | Ottawa, Ontario

Collaborated with economists to analyze topics related to financial stability and market efficiency.

- Contributed to the Bank's Financial Stability Report, Financial System Survey and the FSB's Global Monitoring Report on Non-Bank Financial Intermediation.
- Developed, improved and maintained numerous indicators of financial market liquidity and risk-taking of various agents in the Canadian financial system using large datasets.
- Clearly communicated insights from data analysis to stakeholders.

### Teaching Assistant

September 2024 - Present

Queen's University | Kingston, Ontario

Assisted professor Marcos Lee with the Introductory Statistics class at Queen's University.

- Grading homework problems, midterm and final examinations.
- Host office hour drop-in sessions to help students understand course material, prepare for exams, and assist with homework questions.

### Instructional Assistant

September 2020 – April 2021

Wilfrid Laurier University | Waterloo, Ontario

Assisted professor Dr. Colin Mang with the Introduction to Statistics class at Wilfrid Laurier University.

- Taught students how to use STATA to analyze data, run regressions, and hypothesis tests.
- Hosted office hour drop-in sessions to help students understand course material, prepare for exams, and assist with homework questions.

### Section Director

May 2019 – August 2019

The Taylor Statten Camps | Huntsville, Ontario

Managed a group of summer camp counsellors charged with taking care of children aged 5 – 9.

- Directed and managed staff objectives and performance, including optimal role placement, ongoing coaching and feedback.
- Responsible for camper's well-being and overall experience.
